

**JUNIOR RANGER
HANDBOOK**

This book belongs to: _____

I am _____ years old.

I live in the city of _____, in the State of _____

I go to _____ School.

My address is: _____

My hobbies are: _____

I like State Parks, State Historic Sites, and State Preservation Areas because:

I want to become a Louisiana State Parks Junior Ranger because:

Parents/Guardians

Dear Parents or Guardians,

The Junior Ranger Program has been developed to maximize you and your child's enjoyment of Louisiana's State Preservation Areas and State Parks. We hope that you all will have a great time and maybe learn a thing or two while completing this book.

The rules are simple. You and your child (seven or older) must go through the book in numerical order completing each task presented to you. Each activity corresponds with a page in this book. As your child completes each activity he or she will fill out the page.

Here is a brief list of the steps your child must take in order to become a Junior Ranger:

1. Attend three (3) Interpretive Programs
2. Write and draw about experiences during these programs (pg. 3).
3. Present to his/her class or other group what he/she has seen and done to date (pg. 4).
4. Participate in a community service project and recruit two (2) volunteers to help (pg. 5).
5. Complete all other activities in the Junior Ranger book.

When all is complete, you and your child will present the completed Junior Ranger book to the Interpretive Ranger at any one of the sites listed on the back cover. Your child will then become an official Louisiana Office of State Parks Junior Ranger. He or she will be presented with a Junior Ranger patch and certificate.

Thank you for your interest in and support of the Louisiana State Parks through the Junior Ranger program. We hope that your visit to our facilities is one that you will enjoy and recommend to friends and family. For more information on the Junior Ranger Program and other programs look us up on the web at www.LAStateParks.com

Louisiana State Parks Junior Ranger Presentation Evaluation Form

(Teacher or group leader must fill out form) The student must present to the class or to another group what he/she has seen and done so far in the Junior Ranger program.

Louisiana State Parks Junior Ranger Community Service Project

You must complete a community service project, and recruit two or more volunteers to help you. An example of a community service project may be cleaning up a trail, picking up trash in the picnic area, or help the Ranger set up for a program. Describe your community service project and how you think it helped the community. Also, list the two or more volunteers who helped you complete it. If you have a hard time thinking of a community service project, ask the Ranger to help you.

Volunteers: _____
