2. My companion’s signature below indicates that they understand that this entire document pertains to them as well and they have read and agreed to all the conditions and limitations therein. In case of emergency, it is my companion’s responsibility to have a charged mobile device available at all times. In the event that no cellular service is available, my companion will be required to seek help by returning to the location where training took place as quickly as possible. My companion and I have both attended the in-person training program and read the “OSP All-terrain Chair Usage Requirements” and our signatures on this waiver certify our understanding of all topics covered.
3. I understand that it is the responsibility of the participant and/or companion to move and maneuver the ATC around the park and to return it in working condition. OSP staff may not under any circumstance assist with transfers to or from the chair unless for the purpose of emergency retrieval. Any necessary assistance adjusting the chair or assisting with transfers, including providing transfer board or other assistive equipment, is the responsibility of my companion.
4. I understand that the ATC is only permitted on certain trails and portions of trails as designated and agree to remain within these allowed areas. I have received a map of these areas. I will be financially responsible for any and all damages to the ATC arising from negligence or the violation of any terms in this document.
